Summary

Software Engineer and Full-Stack Developer with hands-on experience in both **backend & frontend development, RESTful APIs, database design, and modern web applications**. Experienced with **PHP, Laravel, NestJS, Next.js, PostgreSQL, MySQL, and MongoDB**, with professional internship experience developing secure and scalable APIs. Strong interest in **software architecture, automation, and AI/ML**, with a focus on building practical, maintainable software solutions.

Skills

Back-End	PHP	Laravel	NestJS	RESTful APIs	MySql	PostgreSQL	MongoDB
Front-End	HTML	CSS	JavaScript	Next.js	React	TailwindCSS	Bootstrap
Language	Python	PHP	Java	JavaScript	TypeScript	C	C++
Tools & Concepts	Git	GitHub	Database Design	Authentication	API Development	Responsive Web Development	

Experience and Work History

Web Development Intern - [Ryven](#) (Custom Software Solutions) -01 August 2025 – Dec 2025

- Developing and maintaining **RESTful APIs** to support web and mobile applications.
- Collaborating with team members to design database schemas and optimize data flows.
- Implementing **secure authentication systems** and ensuring API best practices.
- Coordinating with frontend developers to maintain consistent API contracts and workflows.

Web Developer | Independent Projects | 2024 – Present

- Faridpur Engineering College Clearance** — 2026
Developed a web-based clearance management platform for students and administrators, including profile management, clearance requests, approval workflows, and dashboards. clearance.fec.edu.bd
- E-Commerce Website — FriendDream** — 2026
Developed an e-commerce platform focused on product browsing, customer interaction, and online shopping workflows. frienddream.com
- BoiBazar — Online Bookstore** — 2024
Built an online book marketplace with product search, filtering, payment integration, responsive UI, and checkout functionality. boi-bazar
- School Management System** — 2025
Built a web-based system for managing students, teachers, academic results, notices, authentication, and administrative dashboards. [School](#)

Education

Degree	Major	Year	Institute
BSc (Hons)	Computer Science & Engineering	2024	Faridpur Engineering College
HSC	Science	2020	BAF Shaheen College, PKP
SSC	Science	2018	Mahanandapur B.S High School

Languages

Bangla (Primary), English (Secondary), Hindi (Basics)
